

McBroom Monuments offers a wide variety of monument sizes and styles. We hope this guide will be helpful in determining which type of monument you are interested in.

### Family or Estate Monuments

These monuments typically display a family name and have multiple bevel markers, slant markers or flat markers to represent individual members of the family.

### Companion Monuments

These monuments typically have inscription panels on the face of the monument for individuals.

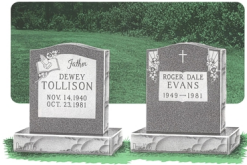

### Individual Monuments

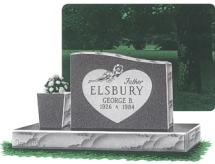

These monuments are typically smaller and are ideal for individuals.
